(54) Title: FLJ20647s AS MODIFIERS OF THE p21 PATHWAY AND METHODS OF USE

(57) Abstract: Human FLJ20647 genes are identified as modulators of the p21 pathway, and thus are therapeutic targets for disorders associated with defective p21 function. Methods for identifying modulators of p21, comprising screening for agents that modulate the activity of FLJ20647 are provided.
